Dear Monsignor Litot and beloved Parishioners:

The Centennial of the foundation of Saint Joseph Parish is a historic milestone in the spiritual life of the Catholics in Dyer and recalls an event of significance in the development of the Church in Indiana.

Today, we are profoundly grateful to the priests and people of one hundred years ago whose courageous and foresighted action still endures in rich spiritual, educational, cultural and charitable benefits to the whole Christian community.

I am delighted to share in the joy of this occasion and to offer sincere prayers that the gratitude of the Saint Joseph Parishioners for the blessings which have come to them during the past century, may radiate enough spirituality to reward each one with an abiding peace and choicest Divine blessings.

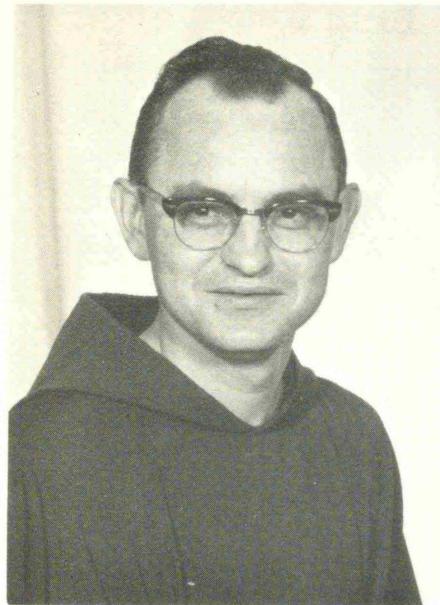

May a spirit of cooperation, mutual esteem and brotherly love remain the distinguishing characteristic of real Church of Christ as it truly exists in the hearts of the people of Saint Joseph Parish, so that through them many more men might come to know what it means to be followers of Christ.

With warmest sentiments of appreciation and a cordial blessing, I remain

Devotedly yours in Christ,

*Andrew G. Grutka*

Andrew G. Grutka, Bishop of Gary

To the Parishioners of St. Joseph's Parish,

Speaking in behalf of all the friars of the Capuchin Seminary of St. Mary, I want to express our joy and best wishes on this happy occasion of the centennial of your parish.

St. Joseph's Parish of Dyer has a special place in our hearts. When the Capuchins first came to the Diocese of Gary ten years ago, your rectory was our first home as the seminary was being constructed. This kind reception on the part of Fr. Switzer, and the warm welcome by all the people of the parish, was the beginning of a close bond that has continued to grow through the years.

We rejoice with you as you commemorate the founding of your parish, thank you for your kindness towards us, and pledge our willingness to be of service to you, with the hope that together we may bring Christ to the world.

Sincerely in Christ,

*Father Edward* *OMCap.*

Fr. Edward Goeden  
O.F.M. Cap.

This anniversary book is dedicated to the memory of  
Father Ambrose E. Switzer.

May Almighty God reward his selfless zeal for souls  
with eternal rest.

ST. JOSEPH PARISH, DYER  
1867-1967

Before a parish was established in what is now Dyer, the people living in the vicinity were attended from Turkey Creek. In 1867 the first resident pastor moved to Dyer. His name was Rev. Jacob Schmitz. In the same year he built the first frame church after acquiring about four acres of land. The total cost was between four and five thousand dollars.

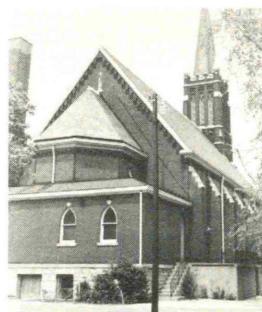

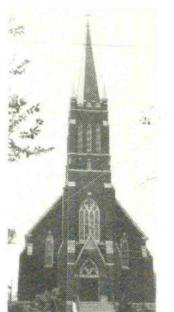

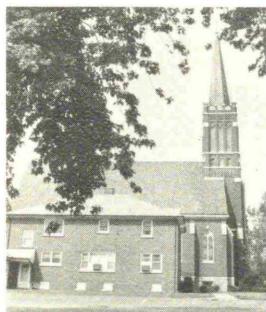

A number of pastors have served the parish in Dyer through the years. The first one was succeeded in July, 1870 by Rev. Theodore Borg, and he in turn by Rev. H. Meissner, from September to December of 1871; Rev. Bernard Wiedau from January to December, 1872; Rev. Anthony King from December, 1872 to April, 1874; Rev. F. J. Freund from May, 1874 to August, 1875; Rev. Charles Steurer from August, 1875, to January, 1878; Rev. Joseph Flach from March, 1878 to August, 1883; Rev. Charles Stetter, from August, 1883 to July, 1888; Rev. Joseph Flach from July, 1888 to July, 1923; Rev. George Lauer from June, 1923 to June, 1932; the Rev. Edmund A. Ley from June, 1932 to June, 1954; Rev. Ambrose Switzer from June, 1954 to February, 1967; and Rt. Rev. Edward F. Litot from February 15, 1967.

From April, 1951 to June of 1953 the present pastor was assigned to manage the affairs of the parish because of illness of the pastor. Msgr. W. Edward Sweigart then came in June, 1953 and remained until Father Switzer was assigned as acting pastor in June of 1954. Rev. Joseph J. Zajdel was sent to assist Father Switzer, who was suffering ill health, Father Zajdel took charge after the tragic death of Father Switzer and remained until February, 1967.

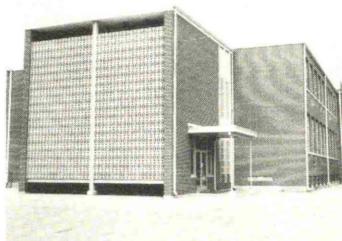

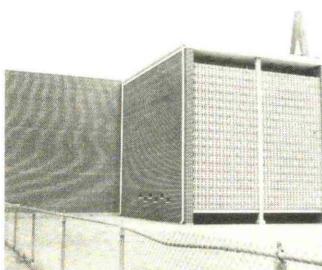

-----

By the year 1893 the original frame church erected by Father Schmitz was in need of repair. Father Flach made many improvements by replastering, frescoing and painting the building. Stained glass windows were also installed at the time. In 1899 a basement chapel was added. New altars and a new organ were installed.

Three days after Christmas in 1902 the original frame structure was destroyed by fire. Father Flach and the parishioners then set to work and the present Gothic church was dedicated Nov. 26, 1903. This building is 118 feet long by 43 feet wide and boasts of a tower over 100 feet high. It seats 400 people and was built at a cost of \$18,500. By today's standards the price seems incredibly low. (As one man commented: "Too bad we can't ask the old-timers how they did it!"

The first school was started for the parish the Franciscan Sisters of the Sacred Heart, who staff the present institution. They began work in Dyer in 1878. The first school building and convent were erected in 1901. It is recorded that by 1905 two sisters were instructing 87 pupils.

The Franciscan Sisters of the Sacred Heart are also celebrating their 100th anniversary this year. The Dyer parish was one of the first missions for which they assumed responsibility after coming to the United States. Through the years the parish has relied heavily upon the work of the good Sisters in more ways than can be mentioned in any brief history.

The original priest's house was built in 1869. It was remodeled and improved in 1905. By that time the parish numbered 75 families and 413 souls. Three girls from the congregation had already become nuns.

The present convent was erected in 1924 by Father Lauer. He also was responsible for building the parish hall, known more recently as the "Ark". Father Switzer later added a section onto the convent providing extra rooms for more sisters and connecting the building to the church.

In 1939, early in the pastorate of Father Ley, the first part of the present school was constructed. It provided four rooms for instruction. In 1956, Father Switzer added a large basement and school room section extending south of the original building. He then added a second floor of class rooms in 1963 and also constructed new entrances at both ends of the building.

In the history of the world a century is a short time. But to man it is a span of years that few can hope to bridge. We are reminded of this as we turn our attention to the parish cemetery where the tombstones of the earliest residents now crumble into dust together with the mortal remains which they mark.

Early in the hundred years history we realize the need for remodeling buildings and erecting more. We are reminded of their temporary nature as the first church is destroyed by fire. Buildings we will always have with us. The need to build and rebuild we will also have. These are not of the essence of parish life. Rather, the essence of parish life is the Faith.

Faith is the thread of continuity which holds together generation after generation of the People of God. The mission of the Church is to spread that Faith to others . . . to share the Gospel message of Salvation. The age of the laity, the era of the lay apostolate, is one in which the People of God find themselves faced with responsibilities. A parish that is a century old must acknowledge its maturity and responsibility. Past accomplishments are the boast of souls long gone from our midst. The challenge lies in the present and the future.

Building in terms of stone and wood and bricks must be taken for granted. Needed now is the erection of bridges of understanding and influence reaching out to the world that our children must face. Exactly what form these structures must take is at present only visible to the imagination. But with a bold vision of the future based on and guided by Faith we have to begin.

All emphasis is being placed upon lay responsibility in St. Joseph Parish in Dyer as it begins its second century. Temporal affairs are the responsibility of a parish council. Orientation of this group is toward using the material to serve spiritual ends. A school board is responsible for the policy and direction of education.

Existing parish organizations are being maintained and encouraged to carry out their specific purposes. The Holy Name Society, the Altar and Rosary Society, the Home and School Association and the C.Y.O. all serve important needs. Already the people have accepted responsibility as lectors at Mass and as teachers and helpers in the Confraternity of Christian Doctrine religious instruction classes.

Being organized are groups to develop ability in singing church music, to work with the poor, to proceed with adult education, to engage in ecumenical contacts and study, to become involved in civic affairs and to at least study interracial problems.

No one has the complete answer to the needs of the age. Nevertheless, if a parish has faith and trust in God, it can face the future with complete confidence. If God's People seek first His kingdom and justice, they can be sure that all else will be added unto them.
